

CCI+ Mid-term review

Contribution to Panel “Key challenges in climate research and monitoring”

Mark Dowell

mark.dowell@ec.europa.eu

Evolution of the CCI+ programme

Continue what works

Research AND Operations

More cross ECV efforts

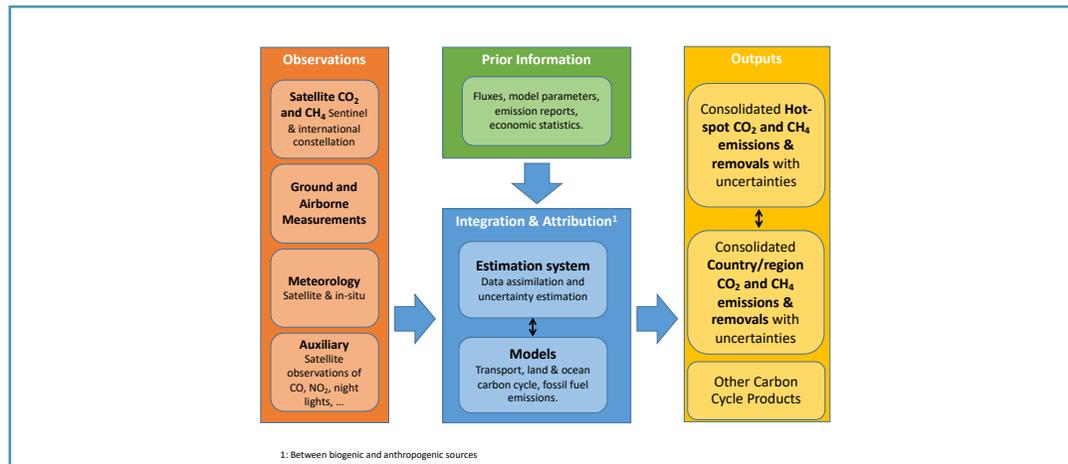

Testing scale "realism"

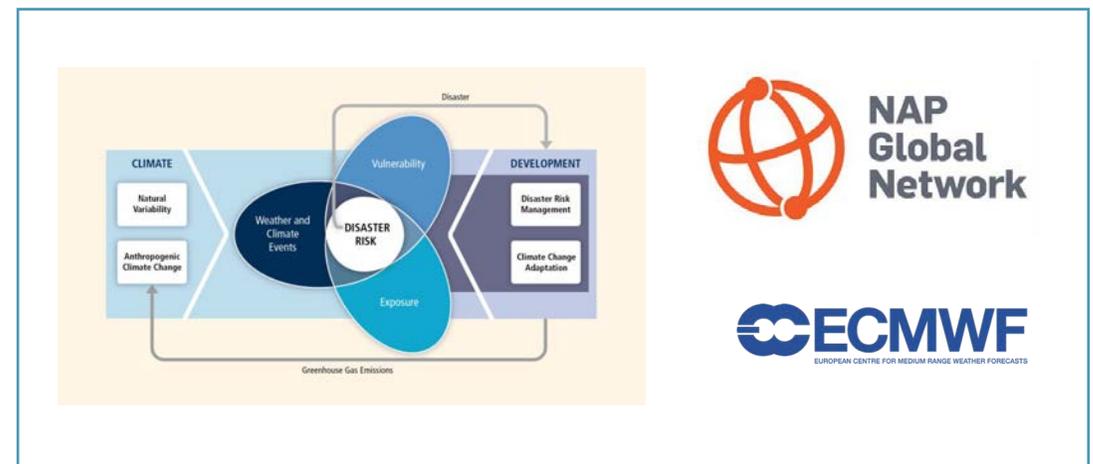

ESA's contribution to climate activities in a wider context

Compliment CO2MVS

Supporting Adaptation and L&D

Biosphere focus

Below the images are two IPCC reports:

- ipcc** The Ocean and Cryosphere in a Changing Climate
- ipcc** Climate Change and Land

AFOLU

New Communities

Alliance of Small Island States (AOSIS)

Least Developed Countries:

- The Americas: 1
- Africa: 33
- Asia and the Pacific: 15

1. Haiti*

1. Afghanistan #
2. Bangladesh
3. Bhutan #

Logos for **AOSIS** and the **European Commission** are shown.
